

Sample Styled Book

Chapter 1: Introduction

This paragraph has red text for color extraction testing.

This paragraph is centered for alignment testing.

This paragraph is right-aligned and blue.

Chapter 2: Content

This is a standard paragraph with left alignment. It contains multiple sentences to demonstrate normal text flow. The content should be extracted with proper formatting preserved.

Another red paragraph for color consistency testing.

Section 2.1: Details

This concludes the sample book content for E2E testing. The PDF includes headings, styled text, and various alignments.
